The President's Speaks...

I come from a day and age when education was considered service. I entered this Profession not as a business man but with a vision to educate, not just to grow minds but to develop generations. Teaching is a noble profession and the only reward is the success of the child. It is said that Education teaches us to leave the world a better place than when we found it.

Education is the process of instruction aimed at the all round development of boys and girls. Education dispels ignorance. It is the only wealth that cannot be robbed. Learning includes the moral values and the improvement of character and the methods to increase the strength of mind. Education serves as the mean to bring about the desired change in society, to develop a generation of virtuous individuals and thus contribute to the development of good human beings.

We are the recipients of sacred and precious values imparted regularly by our teachers. A good moral based education is also a must. As an institution, we want education by which character is formed, strength of mind and knowledge increases and makes us independent. This is ours to keep forever. It is this kind of teaching we impart in our college and I have every confidence to say that along with prosperity we also have the character due to the quality of education received. We, at JLN law College, constantly monitor and strive to take the education to the level that evolves human mind.

I am happy that the college is submitting its SSR for the NAAC Accreditation. I congratulate the Principal, Dr. N.K.Jain, the members who worked diligently to achieve the purpose. I firmly believe that the college shall scale new heights in the times to come for the achievement of our goal is assured the moment we commit ourself to it.

About University

Ujjayini (now Ujjain) , the capital of ancient Avanti Pradesh and one of the oldest and most renowned seats of learning has a rich academic and cultural heritage. Among the fourteen ancient universities of India, this 3000 year old university was the most widely recognized seat of all art forms, sports, science, literature, science and astronomical calculation. The annals of history establish that 3000 years hence Guru Sandipani, moved to Ujjayini from Kashi, and it was in Ujjayini , in his Ashram his disciples Lord Krishna, Balram and Sudama were initiated into the learning of Vedas and Vedanta. The torch of learning has been burning unabated since. In the Mauryan period around 4th century B.C., students from all over the world came to Ujjayini in pursuit of knowledge. By the end of the 4th century A.D., under the Gupta king Vikramaditya, the glory of this seat of learning spread farther. It reached its pinnacle of fame during the reign of King Asoka and Samvat Pravartak, King Vikramaditya Chandragupta II, who promoted Sanskrit over Prakrit.

Objectives :-

To emerge as a unique place of learning by way of combining and coordinating traditional and contemporary knowledge.

To patronize and promote traditional Indian culture, heritage, arts, science and literature.

Establishment:-

Ujjain is known for its antiquity and its rich cultural and religious traditions. It has also been an ancient seat of learning. Therefore, after independence a galaxy of personalities urged upon the Central Government to establish a university at Ujjain. It was their proposal to name the university after the famous ruler "Vikramaditya". When the state of Madhyabharat came into existence, Ujjain was selected for the proposed Vikram University.

Vikram University was established in Ujjain on the 1st of March, 1957. The foundation stone of Vikram University was laid by the then Home Minister of India Shri Govind Vallabh Pant on Tuesday, Kartika Krishnapaksha Chaturthi, Vikramabda 2013 i.e. on the 23rd of October, 1956. The function was presided over by the Rajpramukh of the Madhyabharat State Late Jiwajirao Scindia.

The new state of M.P. was formed in 1956 and Madhyabharat was merged into it. Thus, it was felt to amend the Act relating to the University. Consequently the amended Act of Vikram University No.13, 1957 was published in M.P. Gazette dated 16th August, 1957. From time to time many changes and amendments were made in the Act. Considerable decrease in the University jurisdiction occurred due to formation of Indore, Gwalior and Bhopal Universities during 1964-65 and 1969-70 respectively. On April 20th, 1973, the Honourable Governor granted permission to bring about homogeneity in the Organisation and administration of all the Universities of Madhya Pradesh. This permission was first Published in the Madhya Pradesh Gazette (extraordinary) on 23rd

April, 1973. By a notification of the Education Department 940/20/8/71 dated 3rd May, 1973 the bye-laws of the M.P. Universities Act No. 1 to 19 were brought into effect from 25.9.73, whereas No. 20 to 26 and No.27 to 31 from 1.12.73 and 4.5.74 respectively for all the Universities of M.P. (Including Vikram University).

The M. P. Universities Act was amended and published in M.P. Gazette, on 28th June, 1985. As per the above Amendment, University Jurisdiction was redefined and demarcated in accordance with the Revenue districts of Ujjain Division i.e. Ujjain, Ratlam, Mandsaur, Neemuch, Shajapur and Dewas. Because of the new jurisdiction, the number of affiliated colleges decreased and some new colleges were granted affiliation.

The convocations held by the University in past years were addressed by great luminaries like Pt. Jawaharlal Nehru, Dr. Sarvapalli Radhakrishnan, Sir C. P. Ramaswami Ayyar, Dr. Kalulal Shrimali, Pt. Dwarkaprasad Mishra, Pt. Kunjilal Dube, Babu Jagjiwanram, Dr. Govind Narayan Singh, Smt. Mahadevi Verma, Smt. Indira Gandhi, Dr. Sarojini Mahishi, Dr. Gopal Swarup Pathak, Prof. Nurul Hasan, Dr. Hargovind Khurana and Dr. Satish Chandra.

The Lions and the Rising Sun (which, together formed the Crest of the great Vikramaditya) represent indomitable courage and the rising light of wisdom. The Book Poised lightly on the petals of the lotus signifies the numerous branches of learning. The Silhouette of the temple of Mahakaleshwara symbolizes the sacred culture of the ancient city of Ujjain, the seat of the University”

The motto is 'विद्ययाऽमृतमश्नुते'
